

K-LOVE is an important part of my day. I drive approx. 300 miles per week and listen to uplifting, Christian music as I drive. All of the other Christian stations around are Southern gospel - which I don't like.

My teenage sons will also listen to K-LOVE instead of rock stations! Music is a big influence in their lives and I'm glad it's Christian.

I sing in a Praise Team and we cover many of the K-LOVE songs. I can tell by the reaction of the congregation that many of them know the songs - and around here they could only know them from K-LOVE.

K-LOVE needs to stay a viable listening option in my community.
Thank you for your time.
